Survival In Auschwitz

Primo Levi

Survival In Auschwitz Primo Levi

In 1943, Primo Levi, a twenty-five-year-old chemist and "Italian citizen of Jewish race," was arrested by Italian fascists and deported from his native Turin to Auschwitz. *Survival in Auschwitz* is Levi's classic account of his ten months in the German death camp, a harrowing story of systematic cruelty and miraculous endurance. Remarkable for its simplicity, restraint, compassion, and even wit, *Survival in Auschwitz* remains a lasting testament to the indestructibility of the human spirit. Included in this new edition is an illuminating conversation between Philip Roth and Primo Levi never before published in book form.
