Holding Out for a Hero: A Men in Uniform Novel Codi Gary

He wasn't looking for love . . .

Two years after the death of his wife, Sergeant Blake Kline is still hurting. He isn't ready to date, but whenever he stops by his local diner and sees the friendly smile of his favorite waitress, he feels a spark of true happiness again. And when her life is unexpectedly threatened, Blake discovers his feelings for her might not be as platonic as he thought.

She was holding out for the hero of her dreams . . .

Bookworm Hannah York has always been a hopeless romantic—preferring book boyfriends to blind dates—and she's been day-dreaming about Blake since the moment he came into her diner. She's convinced they'll never be more than friends . . . until Blake kisses her and “weak in the knees” becomes more than just a line from her favorite romance novel. The closer Blake and Hannah get, however, the harder he fights to keep her at a distance.

But forever has a way of sneaking up on you . . .

When their blossoming relationship takes a complicated turn, Blake will have to face his past . . . or risk losing Hannah forever.
