Who will benefit from this? Anyone that has experienced desolation or knows of someone that has. This workbook was written during a healing time while in the beautiful space of Australia and New Zealand though the Creator of All, GOD, sometimes called the MYSTERY. Each lesson came from walking through my own desolation points. Each one being a seed for this workbook. My desire is to share each lesson. How each desolation point is turned from hopelessness, depression and despair to new hope self-discovery, finding your unique purpose, being loved, and finding grace and mercy given by Mystery. Birthing this workbook came with its own challenges from translating my thoughts into words that would bring clarity and healing to others.
