BEAUTY AND THE...MAN WHO'LL NEVER LET HER GO

Elise Bravo needed a job, desperately. And soldier turned thriller writer Jed Walsh burned through—almost literally, it turned out—assistants like hellfire through brimstone. Turned out he had some...*unusual* work habits to go along with his giant talent and ego. He threw knives to relax. He cleaned his guns as he acted out scenes. And more than anything, he hated cats...

Enter Elise, crack typist, master plotter and perfect for the live-in job in every way but one...two if you counted Mr. Wiggles, her furry companion. For though Jed had sworn he would never get "involved" with a woman who worked for him, it took only a day or two with the perfectly professional, pencil skirt-wearing Bravo beauty to realize that his interest in Elise broke all the rules. He had to make her his—even if he had to win over her kitty to do it...
