Many kids don't know the answers to these questions as biblical knowledge is becoming less and less of a priority in people's lives. This fun format book is a great way to teach kids about the reality of the Babel story and its significance in their lives. The full-color book explains how the different languages and "races" came about and is in a unique format with one large pop-up that stays up as you turn the pages and read the story. The stunning artwork is both beautiful and realistic, as it is based on the actual worship towers that were built in ancient times. This fun tool is a great way to teach the reality of the biblical story.
