Do you ever wish you had a second chance to meet someone again for the first time?

When Leo and Molly met and married, they believed they were invincible. Together they could take on the world. But when Leo takes a step into the unknown, tragedy strikes and he loses his memory. Molly rushes to help him fill in the gaps and soon they start falling in love all over again.

The trouble is, Molly is hiding something. Something big. The devoted wife at Leo's bedside is a sham; the truth is that Leo and Molly's marriage was on the rocks long before Leo's accident.

The closer Molly gets to her husband the more scared she becomes that he will remember. As Leo's memory begins to trickle back will Molly lose the man she loves for a second time?

What people are saying about Kelly Rimmer: 'I fell in love with this amazing book after the first sentence and would read it all over again. **A wonderful mixture of emotions, real love, secrets, laughter and sadness.**' *Sky's Book Corner*

'I was hooked right from the start, and it was just **the most beautiful portrayal of falling in love I've ever read.** It's the type of love you dream of and want for yourself... Kelly Rimmer has done an outstanding job with *Me Without You*, it's engaging, **it warmed my heart to the very core, and then tore it out and stomped all over it.** ... **an unforgettable tale that I couldn't recommend more.**' *5/5 GirlsLovetoRead.com*

'**It's been a while since I've read a book that made me 'ugly cry.'** You know what I mean... big, fat tears rolling down your cheeks leaving you with eyes so puffy you look like you've had an allergic reaction. Think Claire Danes in... well... pretty much any role she's ever been in. Kelly Rimmer's *Me Without You* certainly broke that dry spell... **a heartbreaker of a book that has great characters** and a gut-wrenching ending that left me feeling a weird mix of bereft and yet hopeful.' *JudgingCovers.co.uk*
