Workbook Eleven Of the Business Essentials Series: Discovering DiSC and EQ not just IQ (The Business Essentials Series Workbooks) (Volume 11) John Millar

We believe for things to change first you must change so here you will learn why you behave as you do and just as importantly understand why other people react and act the way they do. You will also learn what DISC really is and what it isn't You will learn how to apply these important principles in your recruitment and team management / development. You will learn how to use these ideas in creating a more dynamic team and discover the what and why of emotional intelligence You will also develop key strategies for using the knowledge here and the tools we have available on our website and why we place such a massive emphasis on DISC and other tools that support, train and develop your team You will also learn how to use these skills and observations at home and socially not just at the workplace
