A Place in the Wilderness - Exodus to Cimarron City (Western Parables) Gwandine

This is the third book from the Western Parables Adventure, Mystery, and Romance Series by Gwandine. Seyette desired to run away on numerous occasions only to realize she had no place to go and no one to look after her. To worsen matters, she had no money and no means of earning any. She entertained the thought of running away to the local town to work in one of the whorehouses and decided against it. Somehow, the thought of strange men pawing her delicate body and leaving her feeling as if she'd been ransacked didn't appeal to her. If only her mother hadn't deserted her for the first decent man she met! Seyette lived apart in a world void of people, laughter, and love. Her drunken ex-stepfather was usually away in town as he lavished money on soiled doves while leaving her alone to tend to the ranch. Her ex-stepfather settled on securing the services of Xavier Littleton who is a young cowboy-for-hire to help out around the ranch for a few days. Xavier knew how to treat a woman and Seyette knew she'd miss his presence once he finished his work on the ranch. Visit TheBlackWest.com or WesternParables.com.
