Ancient Portraits from the Athenian Agora (Agora Picture Book)

Evelyn B. Harrison

Ancient Portraits from the Athenian Agora (Agora Picture Book) Evelyn B. Harrison

Although the famous bronze statues seen by the Roman tourist Pausanias have been melted down, the Agora preserves a number of fine portraits in stone. While a few of these are named, most of the portraits in this booklet represent ordinary men and women; priests, athletes, and officials. Referring to over 40 black and white photos, the author discusses hairstyles, clothing and facial expressions to shed light on the individuals depicted.
