Dreaming of Africa

Denis Clavreul

Dreaming of Africa Denis Clavreul

Africa has long been a destination for tourists seeking adventure and pristine landscapes, yet there has never been a book that could convey the experience, magic and beauty of Africa's Safari wildlife and landscapes. For fine artist and naturalist Denis Clavreul, bringing to life some of the most dramatic scenery from the most extraordinary game reserves in East Africa is the realization of this dream.

From the plains of the legendary Serengeti to the foothills of Mount Kilimanjaro, Denis Clavreul has captured with his paintbrush, the beautiful, emotional essence of the African wilderness. *Dreaming of Africa* is a one-of-a-kind collection of striking watercolor sketches of landscapes, wildlife, and dramatic scenery. This gorgeous keepsake includes a cloth box with a tipped-in image and a pocket that holds ten frameable prints of the artist's watercolors. The book itself is in a large format that allows readers to drink in the spectacular scenes of safari life that unfold page after page, including a double-page panoramic gatefold.
