## Exploitation of Trafficked Women

This guide describes the problem of exploiting women who have been trafficked into the United States and the aspects of human trafficking that contribute to it. Additionally, the guide focuses on the final period in the process of trafficking at which women are further exploited by those into whose hands they are passed. The guide identifies a series of questions that can help law enforcement analyze their local problems related to trafficking of women. Finally, it reviews responses to the exploitation of trafficked women and examines what is known about the effectiveness of these responses from research and police practice.
