Kentucky Legal Research (Legal Research Series)

William A. Hilyerd, Kurt X. Metzmeier, David J. Ensign

Kentucky Legal Research (Legal Research Series) William A. Hilyerd, Kurt X. Metzmeier, David J. Ensign

Kentucky Legal Research has been written to help beginning legal researchers develop an understanding of basic skills and techniques for finding Kentucky and federal law, and to provide experienced researchers with a convenient, comprehensive reference guide to Kentucky legal resources.

Kentucky Legal Research can be used as a textbook for teaching both first-year and advanced legal research courses, and in paralegal instruction. It is written in clear language with a process-oriented approach designed to make complex procedures accessible to readers. The first chapter discusses the research process and the rudiments of legal analysis. Following chapters discuss the state constitution, researching judicial opinions in law reporters, statutory research, finding the legislative history of statutes, and administrative law. The book concludes with chapters on court rules, updating with citators, secondary sources, and online legal research. There is an appendix that briefly discusses legal citation under Kentucky rules and customs, the *Bluebook*, and the ALWD manual.

This book is part of the *Legal Research Series*, edited by Suzanne E. Rowe, Director of Legal Research and Writing, University of Oregon School of Law.
