Gwyneth Barnes

Peter Sculthorpe: An Australian Composer's Influence Gwyneth Barnes

As one of Australia's 100 National Living Treasures, Peter Sculthorpe has assumed iconic status. While much has been written about his life and music, there have been no studies exploring his influence on other composers. With its broad social and historical context, this book invites the reader to share in the experiences of his career as a teacher of composition. Through a series of interviews, a clear picture emerges about the impact of his work and the legacy he leaves behind.
