## **So You Think You Are Ready to Retire? US Version: What You REALLY Want To Know Before You Take The Leap! (US Edition) Barry LaValley**

Noted international retirement expert Barry LaValley and US advisor Mark Finke examine the non-financial aspects of your transition into retirement. This retirement book focuses on preparing your mind for retirement and helps you understand the retirement psychology, retirement health, retirement relationships and the role that money plays in retirement planning. The goal of the book is to give readers a retirement planning tool that can be updated on an ongoing basis by both pre-retirement planners and retirees. Special information is provided for both American pre-retiree planners and American retirees who seek to understand what successful retirees do. The authors look at the best retirement research available in North America and throughout the world and use that research to help readers devise an effective Third Age Retirement plan. Note, this retirement planning book contains many retirement planning exercises for readers as part of the book along with many "Did you know's?" and "Have you thought about's?" relating to your retirement.
