The Nature of Christ Rosario D'Souza

The Bible tells us that God became man. This man was Jesus Christ. This book digs deeply into the Bible to explore the nature of this transformation in great detail. It provides insight into what really happened, why it happened, and why Satan has been trying his best to keep the real truth under covers for the past 20 centuries. This book is an eye-opener, but not a light read. If you read this book, read it slowly, carefully, thoughtfully, boldly and thoroughly.
