This is one of the few truly inductive Bible studies for women by a woman. Its main focus is on helping the reader understand what the author was saying to the original readers, the starting point for all fruitful study of Scripture. This 10-week study covers all of Ephesians, is ideal for personal or group use, and is one of three such studies from Keri Folmar. These studies are meant to be written in, so they have lots of extra white space and are spiral-bound for ease of use. "With simple clarity, Keri Folmar guides us in learning to study the Bible...she encourages us to read God's Word carefully, understand clearly, and apply prayerfully...she encourages her readers to listen well to God's inspired Word." - Kathleen Nielson is author of the Living Word Bible Studies; Director of Women's Initiatives, The Gospel Coalition; and wife of Niel, who served as President of Covenant College from 2002 to 2012.
