There are those who are capable of great evil and those who can defeat the darkest ambitions of man. Thirteen-year-old, Micah Laven, is one such boy; though, he does not yet know it. While he is sitting in a library, he is interrupted by a strange old man, and soon after, finds himself in jail and caught in the path of a cynical man, Dr. Evans-who wants him dead. But Micah has a powerful weapon on his side, the Light Stone. With the power of the Light Stone, Micah can turn his enemies to ash, travel at the speed of light, and transport to parallel universes. His strength, courage, and wit are put to the test when he faces Dr. Evans and an infamous enemy known as Sonneillon. It is up to Micah and his friends, along with the power of the Light Stone, to defeat a growing evil and the unmeasured power of the Dark Stone. The Contention of the Stones is about to begin.
