**The 1997 Masters: My Story** Tiger Woods

**To mark the twentieth anniversary of his historic win at the 1997 Masters, Tiger Woods will for the first time reflect on the record-setting win both on and off the course.**

In 1997, Tiger Woods was already among the most-watched and closely examined athletes in history. But it wasn't until the Masters Tournament that his career would definitively change forever. Woods, then only 21, won the Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it an iconic moment for him and sports.

Now, 20 years later, Woods is ready to explore his history with the game, how it has changed over the years, and what it was like winning such an important event. With never-before-heard stories, this book will provide keen insight from one of the game's all-time greats.
