## **Jesus, Hitler, Manson and Me: Bipolar Men of Influence** Vinnie Santino

Follow Vinnie Santino on a wild ride as he guides you to a better understanding of bipolar disorder through personal accounts and relatable advice. In this fascinating page-turner, Santino suggests that Jesus Christ, Adolf Hitler and Charles Manson may have all had undiagnosed bipolar disorder similar to his own. He uses these characters along with revealing personal stories to illustrate his points on how bipolar disorder can be seen as a super-power instead of a disability when controlled properly. Until now, nothing has been written about bipolar disorder from the unique perspective of the bipolar male, certainly not with this level of unabashed honesty. If you're bipolar, love someone who is bipolar or are simply curious about the complex workings of the bipolar mind, this book is a must-read. Unconventional, funny, irreverent, thought-provoking and just plain entertaining!
