To some, the New Evangelization" seems to mean warmed-over and outdated apologetics that rarely resonate with people today. But that approach fails to do justice to what evangelization is really all about. In *Saint Paul and the New Evangelization*, one of today's most respected Scripture scholars offers a far richer, more deeply biblical approach.

Ronald D. Witherup, SS, analyzes the techniques of one of the church's best evangelists-Paul of Tarsus-to show how we can help reinvigorate the faith of friends and loved ones. You don't need to know a lot about the Bible or theology. Just follow St. Paul's inspiring example, and discover how to talk about your faith in ways that change hearts and minds.
