Sometimes the only way to love and redemption is to make a deal with the devil.

After the death of her parents, Lady Aurora de Marquise is left with no illusions and little faith. Stripped of her birthright and betrayed by her uncle, escape is her only option. With her life on the line, she narrowly avoids another murder attempt—only to run headlong into Lord Brigham de Mornay, a man most consider a monster.

With her uncle's henchmen nipping at her heels, Aurora knows better than to trust a stranger—especially one as compelling as Brigham. Well-honed instincts urge her to flee before his abundant charm takes a nasty turn into aggression—and she ends up neck deep in trouble.

But when her uncle manages to track her, the game of fox and hound takes a perilous turn and she is left with the ultimate choice—risk everything trying to escape again or trust Brigham to keep her safe.

Set in northern England near the Scottish border, *Warrior's Revenge* is a gritty, fast-paced medieval romance in which second chances are possible, and true love lies just a heartbeat away.
