Although she is excited about the wedding her father has arranged, she does have one reservation: she is in love with another man. Her true love, Colin, works at the local store and is not a part of the Amish community. On the advice of her sister, Sarah strives to forget Colin and learn to love her future husband. One day, Sarah does not show up to a meeting she and Colin arranged. Colin takes this as a sign that Sarah has decided to accept her impending marriage. But Isaac is discovered dead that same day...

3. HOME FIRES BURNING

The quiet Amish town of Serenity Falls is usually an idyllic place where one can live and work in peace. But when a string of arsons causes irreparable damage to multiple properties and threaten the lives of several citizens, the town grows chaotic with panic. The crimes interrupt the life of Katie Bontrager, a young woman trying to raise her sister and brothers alone after the death of their parents. She grows determined to figure out who is wreaking havoc on Serenity Falls before her only possessions in this world go up in flames.

4. THE PLEA BARGAIN

Charity's life is turned upside when her father, a respectable man in the Amish community, is murdered and her boyfriend Aaron is accused of the crime. After taking a plea bargain, Aaron is sentenced to fifteen years in prison. Skeptical of the investigation and court proceedings, Charity takes it upon herself to find the person who truly killed her father.

5. LOVE'S PLAIN TRUTHS

Leah Miller is the typical 17-year old Amish girl enjoying her time away from her village as she experiences Rumspringa, a period in which Amish teenagers live in the non-Amish world and decide to either be baptized and or leave the community. She loves spending time with her friend Grace, and she is thrilled that her crush, a young carpenter named Luke Troyer, seems to be interested in her too.

6. ****NEW STORY****: THE MYSTERIOUS DISAPPEARANCE

When a girl disappears, why is no one searching for her? Justine is a curious girl by nature, but her investigative spirit is not always condoned in her Amish community. This is especially the case when she

begins to ask questions about the disappearance of Anna, the sister of Justine's boyfriend Mark. Anna's father has told the village that Anna has left the faith, but Justine doesn't buy it. Anna was one of the most ardent followers she knew, so why would she ever feel compelled to leave? As Justine begins to ask these questions, Mark discourages her heavily. He trusts his father, and he feels Justine is sticking her nose into his family's business unnecessarily. Despite Mark's discontent, Justine keeps pushing, sure she will be able to find out what really happened to her friend. What she will unearth will come as a shock to the whole village, including her dear Mark. Did Anna truly leave of her own accord, or did something force her out? Where is she now, and what is happening to her? Will Justine and Mark's relationship be able to survive this investigation, or will Justine's search for answers cost her the man of her dreams?
