Jon's new 8x11 inch, 120 page book, and 73 minute CD gives Cross Harp upper and lower register notation, guitar chords, first verse lyrics and alternate position tab on 90 of the world's most recognizable folk, gospel, blues, patriotic, childrens and holiday songs. The 73-minute CD song teacher has Jon play each song on a C harp, using multiple embouchures, bends, pull-offs, pull ons, vibrato, hand flutters, rhythmic chugging, tongue-blocking octaves and tongue-slaps to make these old tunes come alive. The CD is fully indexed for repeat-play study. This program was designed to be both a training manual for harp players, and a resource of songs and ideas that will last a lifetime. Beginner's will enjoy the easy 1st position versions of the songs. Blues players will stretch their abilities working out of the 2nd position tab. Jon also tabs out and performs songs in 3rd, 4th, 5th and 12th positions. A lot of these songs require perfect treatment of the 2draw and 3draw notes.
