They are part of a new generation who will see more death than any who have gone before.

Although peace seems to reign, the puppet master of an army of giant androids plans one final absolute destruction. And although the great T'ang, the dictators of Earth, are gone, mega corporation GenSyn remains*as does its pleasure drug which will turn Chung Kuo into a funeral pyre. Now the only escape lies in sending survivors toward new stars, or joining Emily Ascher in a battle for liberty and a new Earth.
