Miracles Grow in the Garden Hank Bruce, Tomi Jill Folk

The garden is full of miracles that happen every day. A seed sprouting or flower opening is a miracle. So is the life journey of a butterfly, or a songbird symphony, or the multitude of ways a dandelion can be enjoyed. This book of true stories are about just such everyday miracles, and the human lives they touch. It is a miracle when hope is discovered in the gift of a rose. It is a miracle when a victim of abuse is empowered by the successful nurturing of a seed into a giant pumpkin. It is a miracle when a group of special needs children become the experts at their school garden. It is a miracle when certain symbolic plants bloom out of season, just in time to celebrate a special meaning known to those who discover it. Perhaps you will be inspired to seek the miracles growing in your garden. Or you might help someone else find their own discoveries in their gardens, or the plants within their homes or offices. This book even includes recipes for Dandelion Blossom Ice Cream, Tomato Pie, and Tumbleweed Soup! This is a great gift for the gardeners in your life! Just be sure to keep a copy for yourself.
