## **Multiply and Divide with Sticks and Steps®** Maureen Stearns

Readers Favorite Award Winner! Math is fun when you can teach multiplication to struggling students, in just 5 minutes. Special education students also catch on to this quick and easy, hands-on multiplication method - no more math frustration and no more multiplication charts! Step-by-step instructions teach how to multiply, rather than how to memorize. This method builds conceptual understanding as students practice multiplication. Great for home school instruction and for parents looking for a great math aid. Also included are easy ways to divide, find least common multiples, and square roots. If you are looking for a math confidence booster, and a quick and easy way to teach multiplication, you will find it here.
