Roberto Bolaño

2666 (Spanish Edition) Roberto Bolaño

Publicada meses después de la muerte de Bolaño, 2666 ha sido unánimemente aclamada por la crítica internacional y por los lectores, y es considerada una obra sin igual en la literatura contemporánea.

Mejor libro en español de los últimos 25 años según *Babelia*.

La ciudad mexicana de Santa Teresa -trasunto de Ciudad Juárez- atrae como un imán a los protagonistas. Cuatro críticos literarios europeos viajan hasta Sonora tras las huellas del escritor desaparecido Benno von Archimboldi, cuya vida se refiere en la parte final de la novela. Allí conocerán a Amalfitano, el profesor universitario chileno que, junto con su hija, se establece en la ciudad, a la que también llegará el periodista estadounidense Oscar Fate para retransmitir un combate de boxeo. Pero el corazón del relato se encuentra en «La parte de los crímenes» donde, con la precisión de un bisturí, Bolaño narra los asesinatos de mujeres cometidos en Santa Teresa y las infructuosas investigaciones de la policía. En el epicentro del Mal, nada puede parar el horror.

Con una fuerza arrolladora, en 2666 Bolaño crea una obra magistral que rompe con todas las tendencias literarias conocidas y abre el camino a seguir por la narrativa del siglo XXI. Violencia e historia se entretrejen con temas recurrentes en la obra del autor: la literatura, la búsqueda y la crónica de la realidad.

2666 fue galardonada con los premios Ciudad de Barcelona, Salambó, National Critics Circle Award y Altazor, calificada como uno de los mejores libros de 2008 por *The New York Times* y elegida por 81 críticos y escritores de España y Latinoamérica como uno de los mejores libros en lengua castellana de los últimos 25 años.

Críticas:

«El relato más admirable del último cuarto de siglo. Quizá también lo sea del inmediatamente anterior y es muy posible que lo haya de ser del siguiente.»

José-Carlos Mainer, *Babelia*

«Una obra de un poder y una complejidad arrolladores. Un alegato final digno de un maestro.»

The Boston Globe

«La creación más audaz de Bolaño. Es valiente de una forma que pocas obras lo son: elimina de golpe la brecha entre lo divertido y lo solemne.»

Henry Hitchings, *Financial Times*

«2666: la consagración del horror contemporáneo. La literatura en estado puro.»

Fernando Rodríguez Lafuente

«Su obra más importante y una de las más grandes de la literatura contemporánea en lengua castellana.»

J.A. Masoliver Ródenas, *La Vanguardia*

«Mezcla de géneros y de influencias a priori incompatibles, de mundos, historias y geografías radicalmente diferentes, 2666 es la novela total, sin principio ni fin, el lugar de todos los vértigos y todas las paradojas,

[...] donde se funden presente y pasado, la esperanza y la desesperanza y donde lo verdadero y lo falso se acercan tanto que llegan a confundir

Le Magazine Littéraire

«Una obra de monumentalidad póstuma.»

Darío Villanueva
