A Little Book Of Christmas: An Abundance of Quotes for the Festive Season Alicia Brent

Christmas – what does it mean to you? Maybe you are someone who gets a rosy glow just thinking about it, remembering times past and anticipating the excitement to come. Or perhaps you're tired of seeing Christmas cards and crackers appearing on supermarket shelves before summer is even over. Yet again, you may feel that the true meaning of Christmas has been lost amid the rampant commercialism that you see taking it over... Whatever your view of Christmas, the mention of it will always bring back memories and a mix of emotions. This little book is full of quotes about the festive season from many familiar and some less familiar personalities. There are funny, cynical, reverent, irreverent, reflective, thought-provoking and even a few controversial ones, as well as a good sprinkling of personal reminiscences. With plenty to entertain, it is the perfect stocking filler or an extra present for adults (once you've read it yourself, of course).
