Angelic Enlightenment: A Personal Process Linda Miller-Russo, Peter Miller-Russo

Enlightenment is simply accepting and working with all the segments of the self to live a life rooted in truth, acceptance, and learning.

In *Angelic Enlightenment*, you'll discover that the archangels have a plan to guide you to this exalted state. Michael, Raphael, Gabriel, and Uriel! Together they will gently but firmly lead you on every step of your path. You'll learn how to work with your past lives and your dreams. You'll learn the meaning of the five segments of the self: the soul, the higher self, the emotional self, the subconscious, and the conscious. You'll also learn the seven keys to self-knowledge: understanding your dreams, feelings, thought patterns, body, desires, shadow self, and mortality. By viewing the information that comes when you focus on each of these keys, you will gain an awareness and understanding of your internal processes. These will lead you on the path to enlightenment.

Each of the archangels has his own particular wisdom to impart. Michael is the archangel of truth and justice. Raphael brings healing and acceptance. Gabriel will teach you strength and commitment to the path of truth. And Uriel is the archangel of love and beauty, from whom you will learn how to love the beauty of the universe.

This book is filled with techniques and exercises that will help make the path of enlightenment your personal path. You'll learn dream interpretation and the keys to interpreting past lives. You'll learn how to chart your life and the secrets of the powerful L.E.A.R.N. technique for discovering the root emotions. Included for free in this book is a set of 27 angel cards which can be used to suggest ways to help you along your path.

Linda and Peter Miller-Russo, authors of this book, have dedicated themselves to presenting the archangel's plan of healing and enlightenment to the world. All you need to do is take the first step and use this book.
