Annie's Recipe (Hope Chest of Dreams) Lisa Jones Baker

Three young Amish women, each gifted with a hand-carved hope chest, find that one by one, with patience and faith, their most blessed dreams for the future can come true...

Annie Mast and Levi Miller were best friends until his father was shunned by the church. Now, ten years later, Levi has returned to Arthur, Illinois, for a brief visit, and he and Annie discover their bond is as strong as ever. Spending as much time together as possible, Annie finds herself dreaming of a future with Levi. And Levi is soon dreaming of building a home on a beautiful local hillside—to live in with Annie. Yet their longings are unlikely to become reality...

Levi is part of the English world, and while Annie cannot see herself there, she knows she must reveal her heart's truth to him. And Levi, strongly reminded of his Amish roots, knows he must heal the bitterness of the past. And together, with love on their side, they just may find their way to an answered prayer...
