Pestilence: Jack Randall #2 (Volume 1) Randall Wood

The bombing of an American Embassy in Africa pulls Special Agent Jack Randall out of his current doghouse status with the FBI and sends him on the trail of one of the worlds most wanted terrorist. While sifting through the debris, his team discovers a mysterious shipment of medications. Medications they soon discover that are valuable enough to kill for. Jack is forced to embark on two missions, catching the terrorist responsible for the bombing and discovering the source of the medications. The trail leads him from the deserts of Africa, to the Centers for Disease Control, and on to the higher offices of the United States Government. As the team uncovers the true nature and purpose of the medications, Jack is faced with a decades old plot involving secret treaties, biological warfare, and deadly plagues.
