The Leaderboard: Conversations on Golf and Life Amy Alcott

Golf legend Amy Alcott talks with twenty-seven celebrated individuals about the one thing they have in common—the game they love. In this entertaining and fascinating collection of candid conversations, Amy Alcott offers a rare look at the personal lives and experiences—both on and off the golf course—of prominent entertainers, athletes, political leaders, and other influential figures. A fierce love of the game connects them all, but their varied anecdotes show how this magical sport has touched each of their lives in unique ways. Some highlights: Bill Clinton reveals why Hillary encouraged him to start playing again in his late twenties; Jack Nicholson explains how he began to play golf in his forties and became good enough to shoot a sixty-five; and Ben Crenshaw reminisces about his close relationship with Harvey Penick and about winning the 1995 Masters just days after serving as a pallbearer at Penick's funeral. At times poignant, illuminating, and laugh-out-loud funny, *The Leaderboard* is sure to inspire and capture the imaginations of golf fans everywhere.

Dianne Haire:

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Leaderboard: Conversations on Golf and Life can make you feel more interested to read.
