## **The Pre-Raphaelites: From Rossetti to Ruskin (Penguin Classics)** Various

The Pre-Raphaelite Movement began in 1848, and experienced its heyday in the 1860s and 1870s. Influenced by the then little-known Keats and Blake, as well as Wordsworth, Shelley and Coleridge, Pre-Raphaelite poetry "etherialized sensation" (in the words of Antony Harrison), and popularized the notion of l'art pour l'art—art for art's sake. Where Victorian realist novels explored the grit and grime of the Industrial Revolution, Pre-Raphaelite poems concentrated on more abstract themes of romantic love, artistic inspiration and sexuality. Later they attracted Aesthetes and Decadents like Oscar Wilde, Aubrey Beardsley and Ernest Dowson, not to mention Gerard Manley Hopkins and W.B. Yeats.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
