**Thebes: A History (Cities of the Ancient World)** Nicholas Rockwell

*Thebes* offers a scholarly survey of the history and archaeology of the city. Discussions of major developments in politics, war, society and culture form the basis of a chronological examination of one of Greece's most powerful and dynamic cities. By taking a broad view, the book's account speaks to larger trends in the ancient Mediterranean world while also demonstrating how Thebes was unique in its ancient context. It provides an up-to-date examination of all available information: topographic, demographic, numismatic, epigraphic, archaeological and textual discussions provide the most complete, current picture of ancient Thebes and illustrate the value of an interdisciplinary approach.
