UNCONDITIONAL: second edition La Shea Stanard

This book of poetry is about a single, Christian woman and her faith. The poems reflect her love for Christ and her struggles as a single woman. She reflects on the world today, as she sees it. The poems also reflect her joy and pain of being in love with a man, and ultimately accepting God's Will for her life. I write this book to share, to relate to, and to encourage other single, Christian women concerning their struggle. I hope this book is a blessing to them, or to anyone who simply enjoys a good book of poetry.
