Green Screen Glamour Photography Made Easy: How to Create Beautiful Composite Glamour Images Using Green Screen Technology With DVD & Software Jack Watson

This is an essential book for all photographers and digital video professionals. Professional celebrity/glamour photographer Jack Watson shows new and old glamour/fashion photographers how to take their creative visions to a new level using FXhome PhotoKey 3 Pro™ keying software and a vivid imagination. Starting with a definitive description of green screen photography, he immerses you in this fascinating technology that allows you to create remarkable images with as little as a digital camera, green fabric screen, a beautiful model, and a favorite background image. While the focus is on digital still photography, the lighting setups and composition techniques are equally applicable to digital video photography.

The book has almost 200 glamour image examples that Watson photographed against a green screen. Utilizing FXHome PhotoKey 3 Pro™ software, he shows you step by step how he created the book's photos by compositing them with amazing background images. Additionally, he shares his secrets and insight about creating most of the images in the book. The companion DVD is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com
