Carnelian is one of the most popular and helpful healers of Mind Body & Spirit in the crystal kingdom.

Known as the Joy Stone, Carnelian can help lift your spirits in difficult times. It can help ease pain and can help with allergies and asthma

It has been used throughout history for its healing energies and is just as helpful to us today in our highly stressed, high speed world

This book shows you how you can include the healing energy of carnelian to help ease and balance problems in your everyday life.

This short book is one of a series, each one of which concentrates on the healing energies of a single crystal or crystal family, giving you more, and more detailed information on that crystal than you would normally be able to find in a single source.
