Beyond the Sea (Event Group Thrillers) David L. Golemon

The Soviet battle cruiser Simbirsk, which launched in June 1940 and was reported sunk in 1944 with the loss of all hands, is still sailing the open sea.

January of 2017: American Los Angeles class submarine U.S.S. Houston is tracking a surface target that is not listed as part of the Russian navy's response to the NATO maneuvers. What they find will set in motion the answers to one of the great mysteries of World War II. With the Russian navy bearing down on the Houston and international tensions running high, the United States Navy declares the Soviet-era derelict legal salvage under international law.

With the world's most powerful navies going toe-to-toe in the North Atlantic, the President of the United States calls upon the one organization that has a chance to figure out why this ship is in this time, in this place?Department 5656, also known as the Event Group.

When the Group arrives, they are confronted by three warships of the Russian Navy who have come to claim Russian property. The two groups meet and soon discover that the ancient battle cruiser is not a derelict at all, but fully functional with a mysterious apparatus that sent the original crew to their deaths. In the midst of their warfare in the tossing seas, both navies are sent into a realm of unimaginable terror?an alternate world of water, ice, and death.
