## **Clear and Simple Guide to Resume Writing** Marian Faux

Here's the expert advice you need to prepare power resumes with that professional look. Learn how to be selective about resume content - what you leave out may be more important than what you include. Write a resume that reads well - as direct and interesting as a short story, but crisp and terse enough to entice prospective employers.

- \*Includes versatile model resumes designed for over 200 jobs
- \*Tips on organizing your life experience for the most striking and efficient resume presentation
- \*Get more mileage out of condensed resume space by using action verbs and phrases
- \*Experiment with finishing touches to give your resume unique and personal flair
