Maxwell Odom is one of the nation's top crime-scene investigators. While staying at a hotel in Jerusalem, he steps out to meet his driver and discovers he has been miraculously transported to ancient Jerusalem in the days following Jesus' crucifixion.

According to his guide, the only way for Odom to return to his own time is by solving a historical crime—a conspiracy of the many to kill the One. Attempting to run a modern forensics investigation in the first century, he is forced to look at his own beliefs, attitudes, and life in a whole new light.
