## **El Tiburon** H. Schussman

Sean McGee, an agent for the CIA, is on a routine drug trafficking case in Guatemala when his wife is kidnapped in an attempt to stop him. It has the opposite effect. McGee follows a trail of corruption leading him back to the USA. The much sought after criminal, El Tiburon (The Shark), is watching from the shadows. He has been controlling the drug borders of the USA from the inside. He is untouchable, until now. Suddenly exposed, El Tiburon fights back. But McGee and his own team of local indigenous Guatemalans and military-trained Americans refuse to back down. The tension mounts as the victims of generations of suppression join in the battle that will risk lives. McGee will rescue his wife no matter the stakes, but will this be his final fight?
