- Are you a Stepparent? Are you feeling like you are a gift to an existing family? Well you are! That is correct. You have been chosen by the paternal or maternal parent to first, be their partner in life, therefore, you have ultimately been chosen to step up, where the other parent has stepped out,stepped down, or stepped back, in order raise one of the greatest assets to a family, the children. No! Your role is not to replace the past but to embrace the future.
- Did you know that when a stepchild pulls up to your table that they are bringing a whole army that is invisible to you and maybe parts of the army has become invisible to the stepchild. Your naked eye and mind's eye only see the child. However, if you had the hindsight and foresight to see behind the child, its behavior whether it be good or bad, and then you might see the invisible marching army. This army has been perfecting its skills behind your back and right underneath your nose then sent to you like a Trojan horse sitting in the enemy camp waiting on you to go to sleep so they can attack.
- Stepparents are a gift to an existing family. Now - you may not see it nor believe it considering the actions of the stepchildren, the co-parent and that invisible army of other people, emotions, society, lack of understanding, lack of laws of protections, lack of appreciation, lack of recognition, lack of not knowing what to do or what to expect next but we are hopeful that after reading this book that you, the paternal or maternal parent of your stepchildren, and the invisible army will see you as the great gift you are and recognize that you have been chosen.
