Children join in Jonah's astonishing adventure with a whale to the rescue—complete with activities and stickers

The bright, colorful characters feature as stickers in this story and activity book.

It contains a retelling of a favorite Bible story, with spaces left for children to fill with the appropriate sticker to complete the story. Underneath the retelling are extra activities about what can be found on the page—counting, naming, identifying—for which extra stickers are supplied. The stickers come on a double page spread in the center of the book, and are grouped and numbered according to activity in order to make it easy in selecting the right sticker to complete the task.
