Reno Gabriini: I'm Losing You Mallory Monroe

Reno Gabriini didn't come to this earth to lose. When he discovers that he is losing a trifecta of what he holds dear, he prepares for battle. His beloved wife Trina is overworked, underappreciated, and slowly drifting away from him. His beloved son Jimmy Mack gets involved with unsavory characters whose actions could cost Reno everything he worked so hard to build. His beloved hotel and casino, the PaLargio, is being undermined on every hand until he has to fight like hell just to keep it afloat. In the 15th episode of the Reno Gabriini/Mob Boss saga, Reno finds himself caught in the middle of wars, rumors of wars, and the kind of drama he despises. All that he holds dear is on the line, and if he doesn't regain control of that line one of his precious possessions may very well fall.
