## **Silence of the Heart: Cricket Suicides** David Frith

Cricket has an alarming suicide rate, and for 30 years, author David Frith has collected data on this sad subject. This is an account of over 100 cricketers who have taken their own lives, with an explanation of factors which led to their premature deaths. Can the shocking rate of self-destruction among cricketers be reduced? Can those who run the game do something to save its participants from this dreadful fate? Is the game itself to blame? These are among the questions addressed within this catalog of biographies.
